## objective

A result-oriented, qualified and creative individual with a keen interest in software engineering and development operations. Having more than 4.5 years of experience of not only working in Pakistan but also in United Arab Emirates, equipped with analytical and technical skills, I have led the companies to tremendous outcomes. Earned Microsoft Technology Associate Certification and dedicated towards expanding my knowledge and incorporating my expertise in developing customized software to contribute towards the success of any organization.

## employment history

### Folio3 (Karachi, Pakistan.)

Senior Software Engineer

Apr 2022 – Present

Currently working as a senior software engineer in their App Development division. Working on .NET Core MVC, .NET Core Web API along with SQL server as database in an AI based food detection web application. Due to my positive attitude, I got chance of conducting numerous technical interviews for the company. Moreover, due to my fast learning skills I was also assigned some devOps tasks related to infrastructure as a code for deploying hangfire server on AWS.

### Auriga Solutions (Karachi, Pakistan.)

Senior Software Engineer

Nov 2019 – Mar 2022

### Winsoft Solutions (Dubai, United Arab Emirates.)

Software Engineer

Mar 2019 – July 2019

### Reboot Technologies, (Karachi, Pakistan.) Subsidiary of TRAFIX L.L.C, U.S.A

Software Engineer

Dec 2017 – Jan 2019

## technical skills

During my professional endeavour, I have learned and acquire knowledge regarding the following

### languages & frameworks

C#, .NET Core MVC, .NET Core API, EF Core, JAVASCRIPT, WPF, XAMARIN, UWP, ASP.NET (MVC), EF, ANGULAR JS, VUE JS, VUEX, ODATA, UNIT OF WORK, LLB GEN, Hangfire, terraform, AWS, Azure Portal.

### tools

AWS Console, VISUAL STUDIO, RDLC REPORTS IN VISUAL STUDIO, VS CODE, VISUAL STUDIO FOR MAC, MICROSOFT SQL SERVER, AZURE DEV OPS, GITHUB.

### design patterns

FLUX, REPOSITORY PATTERN, DEPENDENCY INJECTION, SOLID PRINCIPLES, SINGLETON, FACADE PATTERN.

## education history
